

Testing at Rector's Office and associated workplaces

MUNI

Valid from:

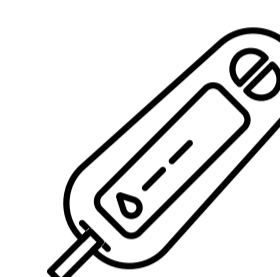

17 March 2021

Rules of work performance:

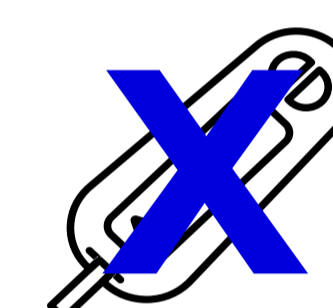

✓ I'm working from home

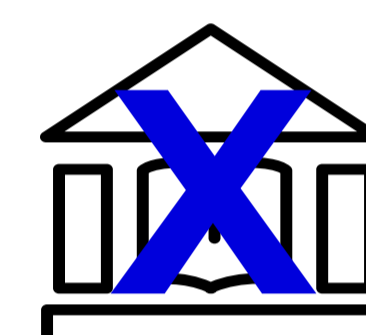

✓ If I have to go to work, I contact my supervisor and have myself tested.

✓ I'm not allowed to enter the workplace without a valid negative test

=

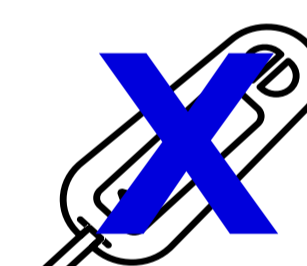

Exceptions: - entering the workplace in order to get tested
- recovered from COVID-19 in the last 90 days and the information given in the INET
- completed COVID-19 vaccination and 14 days after the second dose and the information given in the INET

Testing:

ⓘ I'm working from home = I don't need testing

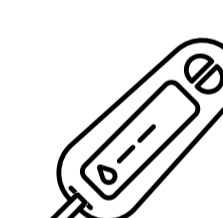

=

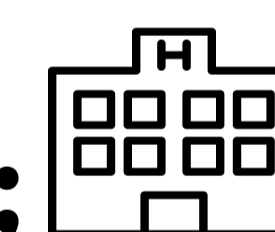

ⓘ I need a test = I will arrange antigenic testing

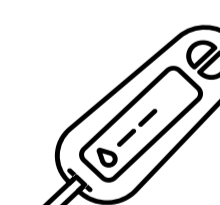

Where? - external public testing points
- MU testing points (registration in the INET required)
If an antigenic test is unavailable, self-testing can be used

MUNI;

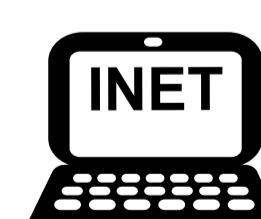

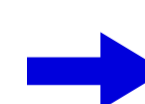

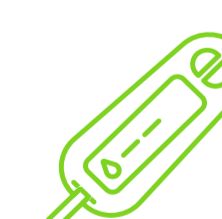

ⓘ The test is valid for me for 7 days

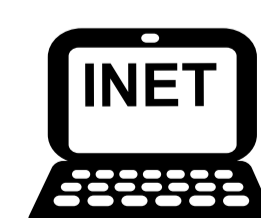

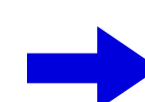

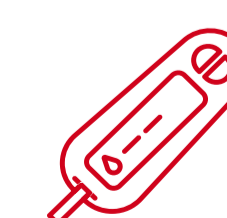

7

ⓘ I register the test result (negative) in the INET, and I can go to work

ⓘ If the test result is positive, I will act according to the rules (PCR test, INET), and I do not go to work. When I am tested at work, I leave the premises immediately.
