**Subject: opponent review**

Dear Sir, / Dear Madam,

We would like to ask you to prepare a review of our student's final thesis (can be downloaded by student's name at [is.muni.cz/thesis](https://is.muni.cz/thesis)). Please fill in the table in the form (downloadable [HERE](#)). Please send the electronic version without signature within 5 working days before the defense in electronic form to: [helanej@sci.muni.cz](mailto:helanej@sci.muni.cz).

When grading, please provide a reasoned, objective opinion on all evaluation criteria of the thesis. The evaluation must include a clear statement of recommendation or non-recommendation of the thesis for defense and a proposed grade. Outside the table, include a commentary on the thesis (e.g. 80 words) in which you briefly justify the marks awarded in the assessment and ask a few (e.g. 3) questions about the thesis, which the student should answer during the discussion with you in the thesis defense.

The thesis defenses will be held according to a schedule that will be posted on the OFIŽ website here:

<https://www.sci.muni.cz/ofiz/> or on the UEB website here:
